RECOUNTS OF KROP & FOX EXCURSIONS

Last Thursday we went to KROP. There were lots of kids performing. My favourite one was when these kids were at the back and three boys were lip-synching to a song from 'High School Musical'. I liked that one because it is a

bit hard to lip-sync because you have to know all of the words. I was very excited about going because I didn't get to go to Fox or Hunky Dory. When Fox and Hunky Dory was on Kath, Felicity, Mum, Max, Ben and I went to play tennis at the tennis courts. I was hungry all day because I only got breakfast and dinner. But Mum only did that so I don't get sicker. I was very upset that I didn't get to go but I still had fun.

On Thursday Carrathool Public School went to KROP which stands for Kids Rapt on Performing. Our parents and teachers drove us to KROP in their cars. When we got to Griffith we went to the Griffith Regional Theatre which was where KROP was being held. Then we went into the performance. It went for two hours. We saw lots of acts from different schools. I liked the drums from Yanco School and the choir that performed second last. After that we left and had lunch at Bertoldos and went home. It was a great day.

By Emily Chick

On Tuesday 7th September we went to see Fox at the Griffith Regional Theatre. I travelled with Miss. Markham, Mitchell, Shara and Bradley. There were four actors on stage. They played the parts of Dog, Magpie, Fox and Spirit.

At the start of Fox, Dog met Magpie. He wanted to help Magpie because she burnt her wing. Then Dog showed Magpie how running is like flying. After that Fox came and took Magpie to the desert and left her there because he was jealous. So she started her way home to Dog.

My favourite bit was Dog flying. I did not like the entire audience screaming at the start.

COMMUNITY NEWS

WEATHER WATCH

The weather that has been experienced over the last week has resulted in a rise of the rivers and creeks around NSW and Victoria. In many cases we have not had the rivers at these heights in a long time, and we are looking to you to assist with educating your students about the **dangers** around floodwaters.

Could you please discuss with your students the following safety messages:

- **Never ride, walk or play in floodwaters.**
- Have a Home Emergency Kit ready (portable radio, torch, first-aid kit, emergency contact numbers, medications, food and drinks)
- Listen to your Radio & TV for advice on what to do
- **If you need assistance in Floods and Storms ring the SES on 132 500**
- **Life threatening emergencies ring 000 immediately**

If you could take a short time to talk about floods it would be greatly appreciated. Attached is a colouring in sheet that you can use to help get the message across, and there is also additional information on our website.
