### National Young Leader's Conference

Last Sunday and Monday, Archie Ray, our school captain, represented our school at the Sydney, Young Leader's Conference. The National Young Leaders Day is an annual event founded in 1997 to develop strong leadership values amongst young Australians. The Program consists of keynote talks, multimedia presentations and interactive learning that seeks a range of specific outcomes for young people who aspire to lead themselves & others well.

Archie thoroughly enjoyed himself! He got to listen to many inspirational speakers. His favourite was the duo of Dylan Parker and James Norton, who have been closely involved in the making of "PAPER PLANES", offering their technical expertise, design skills and folding over five thousand paper planes during the production process. Dylan and James hope that the movie will inspire more people to explore the wonderful world of paper planes.

## Voluntary School Contributions

Schools operate much more effectively and provide a much-improved service to students with funds donated by parents in addition to that provided by the government and the P & C. Voluntary school contributions this year are:  
\$20 per child or  
\$30 per family  
Thank you to those who have already paid.

### School Captain's Report

This term has flown by. Last Friday we had our last tennis lesson with Mr Callaghan for the term. The champion of the term was Rhett and the runner-up, was Archie! They won a packet of chocolates.

Last Wednesday we had a pub lunch day, which we all enjoyed.

Last weekend, Archie Ray, went to Sydney for the 'Young Leader's Day'. Some of the speakers were Bindi Irwin, Mike Baird (now the Premier of NSW) and Dylan Parker and James Norton – they talked about the book/movie, 'Paper Planes'. They were very funny!

This Wednesday we are having burritos and pizza for lunch and on Thursday we have our end of term assembly.

School Captain
