Principal's Report

Week 6 of Term 1 already! Time really does fly! We have had an amazing start to the term with everyone working consistently well. This Thursday we will welcome a new student to our school. Rhett is in Kindergarten and we are looking very forward to him joining us.

Congratulations to Sam Merrylees, for representing our school at the District Swimming Carnival at Hay last Friday. Chloe, Archie and Harry also qualified, but unfortunately, due to illness and family commitments, they were unable to attend.

Sam did very well and we are very proud of him.

Premier's Reading Challenge started on Monday 2nd March. The Challenge aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature. It is not a competition but a

challenge to each student to read, to read more and to read more widely.

Students in K-2 have to read 30 books, students in 3-4 and 5-6 have to read 20 books. All students can choose 5 books of their own choice. The challenge finishes on 21st August, 2015. Good luck everyone!

We are looking to Mr Peter Eastwell hosting the Science Day on Wednesday 11th March. Mr Eastwell has been here before and explains Science in the simplest of terms. He has great experiments which the children are sure to enjoy.

From time to time, we are fortunate to have specialists from Deniliquin visit our school to assist teachers in developing and implementing new learning techniques in line with our school goal of having individualised learning programs.

To close I would like to say how proud I was of the students on 'Clean Up Australia Day'. They collected a lot of rubbish from the school and surrounding environment. Keep the great work up at home everyone!

Relieving Principal

Clean up Australia Day at School

Last Thursday we cleaned up the school and Lawrence Park and nearby environment for 'Clean up Australia Day'. We filled six full bags of rubbish! Students absolutely loved cleaning up and have promised to do this at home every day from now on! See some of the student's recounts later on in the newsletter about the day!

Voluntary School Contributions

Schools operate much more effectively and provide a much-improved service to students with funds donated by parents in addition to that provided by the government and the P & C. Voluntary school contributions this year are: \$20 per child or \$30 per family. Thank you to those who have already paid.

Recounts and Acrostic Poems

Family Acrostic Poem

Cooking by Jason is yummy, but not that yummy,
Annoy mum is what I do,
Really like to play with Biankah's dolls,
To play with Biankah is what mum does,
Everyone likes to watch T.V.
Really high is how Josh jumps on the trampoline!

My Holiday

My family went on holidays, even the nannies.
We went to Batemans Bay. We went last week.

Firstly, we went to the shops and bought fish and nuggets and ice-blocks.

Then we went to a motel and we were room 212. We had dinner there. We then went to bed and snored... zzzzzzzzz...

The next day we went to the surf beach and there were loads of people and loads of waves.

Then we went to the pool and it was very, very, very, very big.

I had loads of fun.

Clean up Australia Day

Yesterday we cleaned up Carrathool School and our community.

Firstly, Mrs Hedt gave us some gloves and a bag each.

Secondly we cleaned the school and all the way to the pub.

Lastly we cleaned near the road and then we went back to school.

I loved it.

Carrathool Acrostic Poem

Carrathool pub and chooks,
Awesome!
River,
Rural scenery,
Amazing stock workers working sheep for their wool!
Tiniest town in the world,
Hot mirages on the road in the summer!
Outback dust,
Old town remains close to the river,
Little town 15 kilometres from where I live!
