Principal's Report

How quickly the term is flying by!

Last Wednesday, senior students participated in a wonderful excursion to Hay. They visited the Hay War Memorial High School (seeing the memorial mural, agricultural plot and museum), The AFL clinic with Collingwood players and then the Shear Outback museum.

Tuesday 22nd March 2016

It was a fun-filled day that inspired the students to enjoy their local museums, look at artefacts and ask many questions. They also enjoyed the intense activity and time spent with the Collingwood players. We were especially privileged to enjoy watching a shearing demonstration with them! Thank you to Mrs Sophie Ray for providing transport and joining us for the day.

The juniors spent the same day having a Science, Gardening and Measurement Day! Our vegetable gardens are looking neat and tidy ready for the winter crops.

Students participated in Epilepsy Awareness Day "Wear Purple" last Friday. We had an informative speaker on the topic and saw some video clips about epilepsy. A well worthwhile day!

A reminder that all bulb catalogue orders will need to be back before Tuesday 29th April.

Absence Notes

If your child is away for the day or part of the day, morning or afternoon, please complete the appropriate note when returning to the school. (Notes are available at the front office.)

You may also advise the school by telephone on the day if you wish.

School Captain's Report

By Benjamin

Last Wednesday the senior students went to Hay for AFL Clinic. It was really exciting. We played lots of games and drills. The Collingwood players threw the ball up and we landed on some big blow up mats. We also went to Shear Outback for lunch and then afterwards we watched a shearing demonstration where Harry and I had a go at throwing the fleece onto the table. We also went through a maze which was very complicated, but everyone got through ok! We also visited the Hay War Memorial High School. We saw a variety of animals in the Ag Plot including Dorper sheep, turkeys, chickens (with babies) and a calf. The Principal, Mr Chambers, showed us around the High School and spoke to us about World War 1 and 2. It was an interesting day. We learnt a lot and had a fantastic day.

Thank you to Mrs Ray for driving us to Hay so that we could take part in all of these things, and to Mrs Hedt for organising the day.

drumMUSTER

The drumMUSTER is a National program for collection and recycling of eligible non-returnable crop production and animal health product chemical containers from manufacturers participating in the Industry Waste Reduction Scheme (IWRS).

The Carrathool Shire Tip is the collection site for any 'clean' chemical drums. The drums need to be cleaned and sighted by an inspector. Once this is done, and paperwork completed, the drums can be dropped off at the collection site.

Training is available to anyone who would like to become an inspector and is free of charge. Please contact the school for further information.

The Carrathool P & C receive a small amount (\$0.25) per drum once they have been collected by a contractor. The site has already collected 11,249 drums to date.

Collection is usually made for 500 drums approximately 2-3 times a year. If anyone has 1,000 drums or more, collection can be made directly from the property.

Working together to make "healthy" the new "normal"

The *NSW Premier's Sporting Challenge* and NSW Health are working together to spread the message to Make Healthy Normal.

The campaign promotes a move away from sedentary behaviour and less healthy food choices with five key, simple tips:

1. Choose smaller portions

2. Eat more fruit and veg

3. Make water your drink

4. Be active every day

5. Sit less and move more

and less kilojoules

We can all adopt these in our
everyday lives ...
...SMALL STEPS CAN MAKE A BIG DIFFERENCE.
