## Principal's Report

It is hard to believe we are already at the end of Term 1! This term has just flown by and I thank the students and parents for all their hard work and happy faces this term.

**On Tuesday 21<sup>st</sup> March**

we celebrated

**Harmony Day.** Children

wore orange to school to celebrate cultural diversity and the message of 'everybody belongs'. The children worked in pairs to compare texts relating to the theme of Harmony Day, then participated in the preparation of food from differing countries. Not all food was a success but at least the children had a taste!

I am excited to announce next term the students will be learning the Ukulele! We will have two face to face lessons with Chris Boody from South West Music in Deniliquin and will conduct our other lessons via video conference. Be prepared to be amazed at the skills the children will develop in a short space of time.

Please join us next Wednesday for an end of term Assembly and Sausage Sizzle. Each student will be

showcasing knowledge gained this term. The Assembly will begin at 10.30 am.

This will be our last newsletter for this term and I would like to wish you all a safe and happy holiday. Enjoy the break!

Have a great week!

On the 21<sup>st</sup> of March we celebrated Harmony Day. Harmony means agreement in feelings, actions or ideas. We dressed in orange and made Tacos from Mexico and rice paper rolls from Vietnam. Not many liked the rice paper rolls, but everyone loved the tacos!

## Fat and Juicy Sentences.

The motorbike is speeding across the old road about to hit an old Grandma. She faceplants into the old road as she tries to avoid the motorbike. The motorbike crashes into the old Grandma and he runs over her leg! She moves out off the road. Finally she walks slowly to the path.

The Hillston Lions Club has kindly donated Carrathool Shire Phone Books to the school. Copies are available for purchase from the school for \$10 each with all money raised going to the school.

## Drum Muster

The Carrathool Shire Tip is the collection site for any 'clean' chemical drums. The drums need to be cleaned and sighted by an inspector. Once this is done, and paperwork completed, the drums can be dropped off at the collection site.

Training is available to anyone who would like to become an inspector and is free of charge.

The Carrathool P & C receive a small amount (\$0.25) per drum once they have been collected by a contractor. The site has already collected 11,249 drums to date.

Collection is usually made for 500 drums approximately 2-3 times a year. If anyone has 1,000 drums or more, collection can be made directly from the property.

For more information please visit the website [www.drummuster.com.au](http://www.drummuster.com.au).

Vernon from **Drum Muster** will be at Carrathool the **week of 29<sup>th</sup> May** with a trailer to pick up drums from the collection point.
