## Principal's Report

Carrathool Public School has a very active **P&C committee** who fundraise to contribute to the education of all students at Carrathool PS. Our P&C is currently fundraising by preparing and delivering "Meals By Mums" to employees of Rivcott. The proceeds of "Meals By Mums" will contribute to our Term 3 excursion to Melbourne. Our P&C also recently purchased a pressure washer for our terrific cleaner, Theresa Lee. Theresa is really looking forward to putting it into action!

The annual **Athletics Carnival** will be held on **Thursday 2nd August** (Week 2 Term 3) at the Hay Park Oval. The day will be organised in the same way as last year's carnival, with Carrathool, Booligal and Hay School of the Air competing as Small Schools within the Hay Public School carnival. Combining the Small Schools carnival and the Hay PS carnival allows all students to compete against others

of their own age. It also allows for greater resource and personnel management, covering all athletics events. Students have already begun practising high jump and next week will begin shot put and discus. More information about the Athletics Carnival will be available next term.

Our **Assembly for Term 2** will be held on **Wednesday 27 June at 2pm**. All are welcome to come and witness the amazing learning that has occurred throughout the term.

We warmly **welcome Anna Warr** to our school. Anna has fitted in very nicely within our school and I hope she has enjoyed her first week with us. With the addition of Anna, we have now reached double figures.

Have a great week,  
Mary-Ann Headon  
Principal

## Super Friday - Art

Last super Friday Mrs Headon went to Brisbane and Mrs Duncan and Mrs Stewart were our teachers for the day. After lunch we went down to a place called "The Spot" to participate in the Street Art Competition. We all got to draw things on a brick wall on the side of a building. Some of the drawings included emus, ocean creatures, bubbles and stars. We then went back to school where we did more art called carving, where it took up most of our afternoon. In carving you have to draw a picture on a piece rubber and then we had to use a special tool to carve it out.

## Making Boring Sentences Interesting

We can make boring sentences interesting by adding adjectives, verbs and adverbs.

I put on my sock.

I put on my red sock quickly because I was late.

Jack went fishing.

Jack walked with his fishing rod over his shoulder down to the river.

TO BE  
AWESOME.

## Cooking

On Friday 1st June, Mrs Duncan came to Carrathool Public School to help out. While she was here we got to cook orange muffins. The recipe was simple and it tasted marvellous. We used Eliza's oranges and a grater to grate the zest. Lincoln squeezed the juice out of some other ones. This is the recipe that makes the most amazing orange muffins! – 2 cups plain flour, 1½ cup white sugar, 3 teaspoons baking powder, 1 tablespoon orange zest, 1½ teaspoon salt, ¾ cup of orange juice (squeezed from an orange), ⅓ cup of vegetable oil and last but not least an egg.

## Garden

In our Garden lesson, we planted beans and we also planted carrots.

Ben, Anna and Jack were planting herbs that included thyme and parsley.

We also planted leeks.

Leeks are like an onion leaf and is a small flower leaf which is kind of spikey.

Leeks are the national emblem of Wales.

## Cooking

On the 1<sup>st</sup> of June Mrs Duncan came to teach us. We cooked stir fry and it was so delicious! In the stir fry we used: carrot, broccoli, capsicum, Pak choy, chicken, onion, spinach, beans, olive oil, honey, soy sauce and garlic and we cooked it all in an electric frypan. It was delicious!
